

CHRONOLOGY

1 Jan 84

Date (1983)

1 Jan

9TH STRATEGIC RECONNAISSANCE WING
Headquarters SAC activated Detachment 5 at
Patrick AFB, Florida (previously DL-LF)

6 Jan

A Reale KC-135R lost an engine panel during
a flight with no reported damage.

7 Jan

Headquarters SAC dropped a proposal to
realign the OSRM overseas detachments.

14 Jan

Maj Edwin Siers replaced Maj Fred N. Jordan
as commander of the 9th Reconnaissance
Technical Squadron

17 Jan

Col Richard L. Thompson became the deputy
commander for maintenance.

1 Feb

Headquarters SAC instituted a change in the
OSRM designated operational capability (DOC).

1-4 Feb

The 14th Air Division conducted a staff
assistance visit to the 9th Wing as a
follow-up to the October 1982 management
effectiveness inspection.

4 Feb

The Social Actions Office at Reale earned the
SAC Class I Best of the year for 1982.

5-7 Feb

The 9th Wing conducted a staff assistance
visit to Detachment 5 to ensure proper
procedures for permanency had been taken.

17-20 Feb

Representative C. W. "Bill" Young, a Florida
Republican, visited Reale for an SF-71
orientation flight.

22 Feb

Headquarters SAC awarded the 100th Security
Police Squadron the Col John P. Luper Trophy
as the best small security police unit in
SAC for 1982.

22 Feb

The Detachment 4 mission at RAF Mildenhall,
U.K. changed as the U-2P mission was taken
over by the 17th Reconnaissance Wing at RAF
Alconbury, U.K. The U-2P was withdrawn from
Detachment 4.

23-25 Feb

The 9th Wing Commander and staff conducted a
staff assistance visit to Detachment 2 at
Usan AB, Korea.

27 Feb - 1 Mar

The commander of the 9th Wing visited Detach-
ment 1 at Kadena AB, Japan for staff assistance. AUG 10 1987
Released through theREEDOM OF INFORMATION ACT by the
Arms Race and Nuclear Weapons Research Project
Institute for Policy Studies
Washington, D.C.

UNCLASSIFIED

UNCLASSIFIED

- 3 Mar General Bernard Capillon, Chief of Staff of the French Air Force visited Beale for a 9th Wing orientation.
- 4 Mar A change in the SR-71 mission took place at Detachment 4, RAF Mildenhall, U.K.
- 4 Mar A 9th Wing T-38 on a flight from Beale AFB ingested ice into its engines causing a minor flight mishap.
- 4 Mar Maintenance technicians assisted in the recovery of an air aborted SR-71 at Loring AFB, Maine.
- 7 Mar The 9th Logistics Plans, Programs and Mobility Division of Maintenance won the Harry D. Hayes award for best in SAC for 1982.
- 9 Mar A U-2R on a landing roll at Beale experienced a minor mishap.
- 10 Mar The 9th Wing completed a feasibility study on the capabilities and limitations of the KC-10 in assuming all or part of the wing's SR-71 refueling operations.
- 15 Mar The Air Force inactivated the 100th Air Refueling Wing and its associated base support units and consolidated the mission with that of the 9th SRW. The Air Force also activated the 9th Combat Support Group and the 9th Services, Transportation, Supply, Security Police and Civil Engineering Squadrons.
- 15 Mar The SR-71 aircrew training mission moved to the 4020th Strategic Reconnaissance Training Squadron from the 1st SRS.
- 21-24 Mar A KC-10 tanker from the 2nd Bombardment Wing at Barksdale AFB, Louisiana deployed to Beale for refueling tests with the SR-71.
- 25 Mar The Air Force's first TF-1E trainer model arrived at Beale to be used in the 4020th SRTS TF-1 aircrew training program.
- March The 9th Wing Intelligence Detachment was named Outstanding Intelligence Unit in Fifteenth Air Force for 1982.

<u>April</u>		
1	Alliance Properties, Inc (ALLPRO) replaced M&M Services on the Base Housing Maintenance Contract. Legal complications ensued	
9-10	Speaker of the US House of Representatives Thomas P. "Tip" O'Neill toured Beale with a congressional delegation of 35 persons	
12-13	Two SR-71 search and rescue sorties scoured mountains in a search for a crashed B-52 from Nellis AFB, Nv.	
13	A 99th SRS U-2R flew a Racy Playmate Search and Rescue mission to look for a downed B-52.	
17	A Cypriot English language newspaper erroneously reported the deployment of a TR-1A to Detachment 3 at Akrotiri, Cyprus.	
18	Headquarters SAC announced the award of the eighth Air Force Outstanding Unit Award (AFOUA) to the 9th SRW for 1 Jul 81-30 Jun 82.	
19	Beale AFB conducted a Broken Arrow major accident response exercise (MARE) that simulated a crashed KC-10 carrying a nuclear weapon.	
20	Detachment 2 at Osan AB, Korea experienced a peculiar equipment problem.	
20	A 99th SRS U-2R flew a special domestic mission.	
25	The Base Environmental Protection Committee discussed potential chemical pollution on Beale.	
25-29	The 14th Air Division conducted a Staff Assistance Visit (SAV) to the 9th Wing.	
25-3 May	The 9th Wing Commander and selected staff members visited Detachments 3 and 4 in Europe.	
<u>May</u>		
1	Beale's 7th Missile Warning Squadron (MWS) transferred from SAC to the new Space Command.	

UNCLASSIFIED

UNCLASSIFIED

May (contd)

- 2 Maj Kenneth L. Stanford became the first permanent commander at Detachment 5, Patrick AFB, Fl.
- 5 KC-135Q #580129 was struck by lightning on a routine flight, but landed without incident.
- 9 Col John A. Anderson replaced Col John T. Dyer as the commander of the USAF Hospital, Beale.
- 14-15 The 9th SRW sponsored the Blackbird Reunion of current and former SR-71 and U-2 personnel at the MGM Grand Hotel in Reno, Nv.
- 16-27 The Deputy Commander for Maintenance conducted a staff assistance visit to Detachments 1 and 2 in the Pacific.
- 17 Beale AFB conducted a MARE involving a mass casualty where a fuel truck collided with a loaded passenger bus.
- 19-23 The 9th Wing deployed a KC-135Q, SR-71 and U-2 to Randolph AFB, Texas for a static display.
- 20 Detachment 3 flew a successful Olive Tree mission following a succession of difficulties.
- 23 The Air Force's second TR-1B, a two-seat trainer model arrived at Beale.
- 24 Disaster Preparedness personnel completed an Olympic Race aircraft decontamination on a U-2.
- 27 The first use of a KC-10 Extender to refuel an operational SR-71 reconnaissance mission took place.

June

- 1 Maj Donald E. Haslam replaced Lt Col Kevin T. Hegarty as commander of the 9th Organizational Maintenance Squadron.
- 10 The Air Force Audit Agency completed the formal report of a T-38 operations and training audit.
- 15 Headquarters SAC directed the wing to purchase anti-G suits for all T-38 pilots.

UNCLASSIFIED

UNCLASSIFIED

June (contd)

- 18 Beale AFB hosted the annual open house with static displays, bands, refreshments and flybys.
- 21 A T-38 painting facility opened in SR-71 Shelter #126.
- 23-24 A Short Sprint local exercise took place in conjunction with SAC's Exercise Global Shield 83.
- 23-30 The 9th SRW and Beale AFB participated in SAC's worldwide Exercise Global Shield 83. Local involvement consisted of a battle staff exercise with very limited exercise flying.
- 24 Detachment 5 flew a Global Shield U-2R sortie.
- 25 A wing U-2 performed a flyby of the Truckee, California air show.
- 27 Col David H. Pinsky replace Col Lonnie L. Liss as 9SRW vice commander.
- 27 A SAC coordinated reconnaissance mission took place at Detachment 1.
- 28 A KC-135Q drew a tire upon landing but completed the roll-out with no further problems.
- 29 Headquarters SAC reduced the KC-135Q flying hour allocation due to decreased mission tasking.
- 30 The 9th SRW obligated \$23,731,900 or 74 percent of the FY83 budget (just below the 75 percent target ceiling) to remain in excellent fiscal shape.
- Beale AFB had an assigned total of 553 officers (555 authorized), 3,803 enlisted airmen (3,715 authorized) and 554 civilians (560 authorized).
